

# Homework Cover Sheet

Assignment #: Homework 1: Naive Bayes Algorithm

Your name: Edith Flores

- **Please acknowledge below all significant forms of aid you give or receive**
  - Yes, even the professor! Yes, even the tutors! No, not the course texts.
  - It is best to fill this sheet out as you go so you don't forget
- If you are found to have given or received inappropriate aid...
  - Cited: minor grade adjustment, discussion clarifying expectations
  - Uncited: disciplinary action from the Office of the Dean of the College, final grade reduced, failing grade for repeat or egregious offenses.
  - Please see the syllabus for more details
- When this form is complete
  - Select File > Download as > Portable Document Format (PDF)
  - Include the downloaded file with your submission

*I affirm that the below is an accurate description of significant aid I both gave and received on this assignment.*

Collaborators/Sources	Help Given/Received
<a href="https://www.pythonforbeginners.com/os/pythons-os-module">https://www.pythonforbeginners.com/os/pythons-os-module</a>	I had to look up what module to import for the os.system
Python Textbook	Look up any small details I might have forgotten.
Class Slides	I had to look at how the confusion matrix should look like (outputs on top and correct on the left)
Reed	My os.system was not working so he suggested using subprocess.call instead. I ended up using os.system once i figured out why it didn't work.

[illegible]
